

# The Life and Teachings of Jesus

*A Restatement of the Gospels*

*Bonded Leather with Gold Stamping  
6x9 - 252 Pages*

This book is the result of a nine year effort to concentrate the Bible verses associated with Jesus into one volume. Each occurrence of his life is treated individually, and then arranged in a chronological sequence. Thus, it presents Jesus' life and teachings as they actually took place, from birth through death and resurrection. This format promotes a better understanding of Jesus' real life and his original gospel of the kingdom. Helpful explanatory notes are generously supplied. The book includes an exhaustive index so that readers can quickly find what Jesus said concerning any topic. It also includes a list of Jesus's parables, miracles, and teachings that outline his philosophy of living. This beautiful bonded leather edition makes an attractive and meaningful gift.

"Like the *Jefferson Bible* it sorts and rearranges material from the New Testament Gospels to achieve a more authentic and chronologically ordered story ... It is very well done and the footnotes are helpful. The index is quite detailed and useful as a topical reference."
